

29th Annual Primary Care Review and Update 2018 Spring Conference

April 28 – May 1, 2018

Marriott Hotel Seattle Airport | Seattle, Washington

The Washington State Academy of Physician Assistants

Visit Seattle WA photo courtesy of Albastro Photography

The Washington State Academy of Physician Assistants is proud to host its 29th Annual Primary Care Review and Update Conference at the Marriott Hotel near the Seattle Airport. We have decided to freshen up our conference with a new name, a new venue and some new ideas but you can expect to experience the same great quality WAPA has always offered. We know that all Physician Assistants need updated CME to help them continue to provide excellent patient care. We also understand the need for Physician Assistants to review major medical core knowledge areas as they prepare to take the NCCPA Recertification Exam. Our goal is to help meet both of these needs, and to make your learning experience a pleasant one. Please join us at our 2018 Spring Conference for an outstanding opportunity to review and update your medical skills as well as enjoy the rare opportunity to network with fellow colleagues.

Accreditation

This program has been reviewed and is approved for a maximum of **31.10 AAPA Category I CME** credits by the AAPA Review Panel. PAs should claim only those credits actually spent participating in the CME activity.

This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs

Electronic Syllabus

WAPA will be providing an e-syllabus in place of a paper syllabus. The link will be sent to your email address prior to the start of the conference. It will have all of the speaker presentations (power-point slides, outline, articles). Each attendee at registration check-in will receive a packet of information (schedule, raffle rules and events that you signed up for). The e-syllabus can be downloaded onto your laptop or ipad so that you can follow along during the presentations. The e-syllabus will be available online for 3 months after the conference. Watch for an email from WAPA with instructions on how to view the e-syllabus online. There will be complimentary WiFi in the lecture halls.

Parking

Daily parking is included in your registration fee. Your discounted hotel booking at the Seattle Airport Marriott Hotel also includes your daily parking fee.

Automated Response System

An Automated Response System (ARS) will be used in both our main and concurrent lecture hall to promote interaction between you and the speaker. The hand-held remote will allow attendees to convey responses to questions asked by each speaker. Complete instructions will be available at the conference.

Pre-registration/Welcome Reception

Join us Friday evening April 27, between 7:00pm–9:00pm in the WAPA Welcome suite at the conference hotel. You can pre-register for the conference without any lines or just come by and enjoy meeting some of your fellow conference attendees over hors d'oeuvres and beverages. Just ask for the suite number at the hotel registration desk on your arrival.

Regular registration begins at 7:00am, Saturday, April 28, 2018.

Refunds/Cancellations

An administrative fee of \$75.00 is withheld from all refunds. No refunds will be made after the course has begun. Registration is limited to available space.

Concurrent Lectures

Concurrent lectures are offered throughout this conference to provide you with medical education alternatives. Whether you have been to our conference before or attending for the first time, we are certain you will be completely satisfied with the vast variety of choices available. Many of these offerings will have a hands on workshop feel, without any extra fees.

Concurrent Workshops

Similar to concurrent lectures, the concurrent workshops are intended to provide conference attendees with medical education alternatives. The workshops will have limited enrollment to maximize the hands-on nature of the sessions. Please refer to the registration page for each required workshop fee.

NEW Training In Suicide Care Workshop

On Sunday, April 29, we will be offering training in Suicide Care for Physicians (TSCP). This training provides an opportunity for you to complete your full 6 hour licensing obligation which promotes the physician's leadership role in understanding and addressing this preventable cause of morbidity and mortality. The workshop targets general competence in suicide risk assessment, treatment and management and is based on existing practice guidelines which includes the SPRC Core Competencies in Suicide Risk Assessment and Management, the APA Practice Guideline for the Assessment and Treatment of Patients with Suicidal Behaviors (2003) and the National Action Alliance for Suicide Prevention's report, Suicide Care in Systems Framework (2011).

IMPORTANT: This curriculum has been approved by the Washington State Department of Health to meet the requirement for training in suicide risk assessment, treatment and management for health care professionals.

Career Fair/MEDEX NW Informational Session

WAPA will be hosting a Career Fair as well as a MEDEX NW informational session at the conference hotel on Saturday afternoon from 12:30pm – 3:00pm. Local hospitals and health related organizations will have booths set up. Bring your CV to share if you are

HOTEL AND TRAVEL INFORMATION

actively looking for a position OR if you are looking to hire a PA, bring a brief job description with contact information and WAPA will gladly post the ad for you.

WAPA Career Fair: 12:30pm – 3:00pm

MEDEX NW Informational session: 1:00pm – 2:30pm

MEDEX NW Alumni Reception

On Saturday April 28th, MEDEX NW will host its annual awards ceremony at Maxi's at the nearby Doubletree hotel from 5:00pm – 8:00pm. MEDEX NW Alumni, students and conference attendees are all welcome to attend.

Dinner Program

On Monday evening, April 30, we will have an off-site dinner program at Monsoon Restaurant on Capitol Hill in Seattle. The dinner program will be sponsored by Gilead Sciences and will address the topic of PReP. Transportation will be provided. Registration for this dinner is currently open to the first 50 conference attendees who register for the meeting and RSVP for the dinner. Bus transportation to the dinner at Monsoon will depart from the Marriott Hotel at 6:00pm.

Downtown Transportation

Bus transportation from the hotel to downtown Seattle is available on a daily basis for a nominal fee for anyone interested in taking a break from the conference.

Location

The Marriott Seattle Airport is located 1/2 mile east of the airport at: 3201 South 176th St. Seattle, WA 98188.

FROM I-5 NORTH OR SOUTH: The hotel is 2.1 miles from the exit. Take exit #152 (S. 188th St.). Turn Left onto S. 188th St. Turn Right onto Military Road S. Turn Left onto S. 176th St. Hotel is on your Right.

Lodging

From the moment you enter the lobby, you'll know Seattle Airport Marriott is far beyond ordinary. As one of the premier Seattle airport hotels, the Marriott welcomes you with a warm, stone fireplace and a magnificent two-story wood-beamed atrium, providing the ideal setting to unwind and get comfortable. Settle down in style in a spacious guest room, equipped with the latest technology and upscale amenities. SeaTac airport hotel guests experience a refreshing change of pace in the beautiful indoor atrium pool and can catch that overdue workout in the 24-hour fitness center.

Shuttle service to Seattle-Tacoma International Airport (SeaTac), is available from 4:15am to 2:00am. For fueling fun off-site, enjoy easy access to downtown Seattle or to the award winning Museum of Flight, the Japanese Garden or the Experience Music Project/ Science Fiction Museum, plus lots more.

SHUTTLE USAGE: The current rate for shuttle use; round trip from the Seatac airport is \$4 per room. Charges will be processed to guest room reservations during the guests stay and will be reflected on final billing. Shuttle usage rates are subject to change without notice.

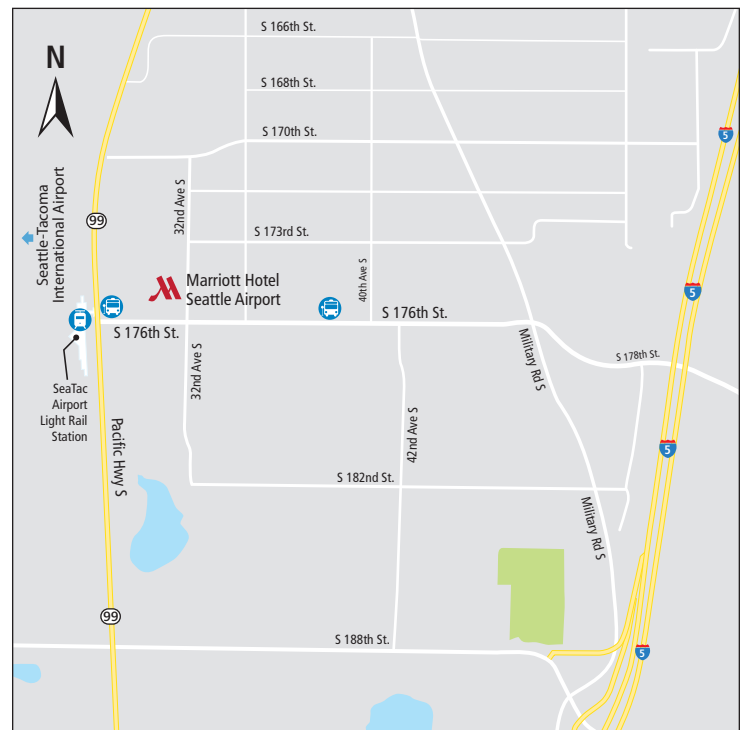

Hotel reservations must be made by Thursday, April 5, 2018 in order to ensure our special conference room rates. You must indicate that you are attending the Washington State Academy of Physician Assistants conference in order to receive the reduced room rates. Please call 1-800-228-9290 or (206) 241-2000 for reservations.

Book your hotel online today: Book your group rate for Washington Academy of Physician Assistants (WAPA) Meeting 2018 using this link: [Special Hotel Discount Rate](#)
